## Alpha Review Selects Mitchell Health Ticket and Provider Directory Solution

*Mitchell web-based tools will improve workers' compensation claims cost containment with better care communications and PPO penetration*

**San Diego, CA – March 5, 2012** – Mitchell, a leading provider of technology, connectivity and information solutions to the Property & Casualty claims and Collision Repair industries, today announced that Alpha Review, a leading national medical bill review innovator, has selected the [Mitchell Health Ticket and Provider Lookup Directory](#) to help contain workers' compensation claim costs. The Mitchell Health Ticket and Provider Lookup Directory is a web-based claim communications and PPO compliance solution that improves workers' compensation claims cost containment with better care communications and provider network penetration.

Mike Drevalas, president for Alpha Review, said, "The Mitchell Health Ticket and Provider Lookup Directory will help our payer clients increase preferred PPO utilization and improve the quality and timeliness of care with a solution that makes critical claims information and preferred provider networks available to all involved in a workers' compensation claim. Alpha Review looks forward to deploying this cost containment innovation to our broader client base."

"Mitchell is pleased to help add value to Alpha Review's medical bill review services," said Nina Smith-Garmon, senior vice president and general manager of the Mitchell Workers' Compensation Solutions Division. "The Mitchell Health Ticket and PPO Lookup Directory, powered by [VIIAD](#), is part of Mitchell's commitment to continually improve the cost containment opportunities available from the [SmartAdvisor medical bill software suite](#) of extended specialty pricing, PPO networks and compliance expertise solutions for workers' compensation claims."

SmartAdvisor is a comprehensive bill review solution for workers' compensation that contains a unique combination of performance software, client services and best-in-class partnerships. SmartAdvisor's distinctive capabilities include customizable workflow modeling, a robust business decision rules engine, data analytics and reporting tools, Claims Examiner Portal for fast, secured, real-time access to bill data and a proven technology platform that delivers on average 50-70% straight-through processing for improved efficiencies and lower costs.
