Alpha Review Migrates to Mitchell SmartAdvisor™ Medical Bill Review Solutions

First complete and successful migration of Ingenix PowerTrak client to SmartAdvisor™ suite of workers' compensation claims cost containment solutions

San Diego, CA – February 28, 2012 – Mitchell, a leading provider of technology, connectivity and information solutions to the Property & Casualty claims and Collision Repair industries, today announced that Alpha Review, a leading national medical bill review innovator, has successfully migrated to the Mitchell SmartAdvisor™ medical bill review suite of extended specialty pricing, PPO networks and compliance expertise solutions. Prior to selecting Mitchell as its workers' compensation claims management and cost containment solutions provider, Alpha Review was an Ingenix PowerTrak client.

"We welcome Alpha Review to the [SmartAdvisor medical bill review](#) family," said Nina Smith-Garmon, senior vice president and general manager of the Mitchell Workers' Compensation Solutions Division. "The successful migration of Alpha Review from PowerTrak to SmartAdvisor is testament to the speed and success of Mitchell's integration of the Ingenix P&C medical bill review business into our suite of technology-enabled [claims management](#) solutions, as well as the strength of our client partnerships."

Mike Drevalas, president for Alpha Review, said, "Together, Alpha Review and Mitchell Workers' Compensation Solutions will empower our payer clients to significantly streamline and optimize medical claims management with Mitchell's cost containment solutions. The smooth implementation process and migration to the SmartAdvisor medical bill review platform ensures that we can immediately achieve even greater cost savings for our clients without compromising high-quality and effective care for injured workers."

SmartAdvisor is a comprehensive bill review solution for workers' compensation that contains a unique combination of performance software, client services and best-in-class partnerships. SmartAdvisor's distinctive capabilities include customizable workflow modeling, a robust business decision rules engine, data analytics and reporting tools, Claims Examiner Portal for fast, secured, real-time access to bill data and a proven technology platform that delivers on average 50-70% straight-through processing for improved efficiencies and lower costs. About Alpha Review Corporation

Alpha Review Corporation (ARC) was formed in 1995 as a medical bill review company. ARC customizes its bill review services to meet the client's individual needs by setting specific and unique customer notification parameters, providing customized management reports, or meeting any number of perhaps seemingly minor, but critical needs. This ensures the bill review process will work smoothly and efficiently for our customer. By focusing on medical bill review, ARC is able to leverage its experience and expertise to provide the best possible savings. We are the focal point of the client's need for bill review expertise in any state. We are a single resource, processing all bills at one location.
